

Notification of district heating price review

The Board of the Energy Regulatory Office hereby gives notice of its intention to commence on 11th of June 2007 the price review for district heating enterprises for the heating season 2007/2008.

The price review will be conducted based on the competences given to ERO by the Law on Energy Regulator, and in accordance with the Instruction on Regulatory Reporting and Instruction on Principles for Calculation of Tariffs and Prices in District Heating Sector. The price review will proceed according to the implementation plan and timetable. Instructions, implementation plan & timetable, and other relevant documents are / will be available from official ERO's website www.ero-ks.org.

ERO invites any parties with an interest in this review to register with ERO, either by email to ERO.PRICING-TARIFFS@eumik.org or by fax or letter marked for the attention of Tariffs & Prices Department or District Heating Expert. Registered parties will be alerted when relevant documents are issued by ERO.

Submissions are received or opportunities for public participation arise during the course of the price review. Registration will end on 4 July 2007. The list of registered parties and contact details will be published on ERO's website.

Registered parties have the opportunity for public participation by providing written submissions or comments on published relevant documents or other issues related to the district heating price review. Any party wishing to make submissions is invited to send these to ERO, either by email to ERO.PRICING-TARIFFS@eumik.org or by fax or letter marked for the attention to the Tariffs & Prices Department and / or District Heating Expert.
