PRESS CONFERENCE IN RELATION TO THE PUBLICATION OF MONITORING REPORT OF KEK BY ERO

PRISHTINA, 6 SEPTEMBER 2006, The Energy Regulatory Office (ERO) announces that Thursday on 07 September 2006, starting on 10:00, will hold a Press Conference in relation to the Publication of the Monitoring Report on KEK, carried out during May & June 2006. The venue will be in the premises of ERO; 1 Hamdi Mramori Street (Behind the Museum of Kosovo)

This monitoring was carried out by ERO based on its mandate given by the primary legislation on Energy (The Law on Energy Regulator, 2004/9 and the Law on Electricity, 2004/10) aiming at evaluating the measures undertaken by KEK for the implementation of the regulatory framework dispositions. The goal is the improvement of the quality of services and customer relations which will eventually result in the increase of the revenue collection.

After the brief presentation of this report, the journalists will have the opportunity to ask questions and make comments. The full report will be published as of 6 September in the website of ERO: www.ero-ks.org/Publications.
