

Energy Regulatory Office,

- Based on the authority granted by Law 2004/9 “ On the Energy Regulator”
- Pursuant to the provisions of Law 2004/8 “ On the Energy”
- Due to fulfillment of the obligations to directive 2001/77/EC of the Energy Community Treaty, and
- Due to the Administrative Direction No. 06/2007 “ On indicative Objectives for consumption of the Electrical Energy and Heating from Renewable Sources and Co-generation”
- Section 5 of the Kosova Government Decision on” Stimulation measures for electrical energy generation from the renewable sources and electrical energy from co-generation in Kosova for the period 2007-2013”

In this consultation paper published the proposals relative to provisional tentative tariffs for energy generation from small hydro-plants. The indicators resulting on the published tariffs include parameters.

- (i) Capacity Factor - CF
- (ii) Generated Energy - EP
- (iii) Generated Energy Costs - KEP
- (iv) Capital Costs - KOK
- (v) Operational and Maintenance Costs -KOM
- (vi) The initial investment value - VIF
- (vii) Weighted average of the capital costs - MPKK
- (viii) Economic asset life– JE
- (ix) Water Costs - KU

The tariffs are a result of principles that determine the tariff structures compatible to prevailing legal provisions and are as follows:

<i>Installed Capacity</i>	<i>Price</i> <i>(cent/kWh)</i>
<i>Hydro-plants up to 2 MW</i>	<i>6.44</i>
<i>Hydro-plants from 2 MW through 5 MW</i>	<i>5.02</i>
<i>Hydro-plants from 5 MW through 10 MW</i>	<i>4.02</i>

This consultation paper has been published as a possibility for shareholders to submit their comments, before ERO issues the decision about approved tariffs. Until now, ERO has not adopted any decision on approval of the feed-in tariffs. ERO proposals are preliminary and are offered only as a ground for comments from the shareholders. The proposed tariffs are provisional and tentative and may be subject to further considerations.

The deadline for submission of comments on consultation paper is until 26 Sept.2008.

The comments should be submitted in written. Electronic format is preferred. Comments submitted by email should be sent to ero.pricing-tariffs@ero-ks.org with a highlighted paragraph in the subject slot "Feed-in tariffs Consultation Paper-Comments".

Printed comments (hard-copy) should be delivered to ERO in its offices situated in rr. Hamdi Mramori , Nr 1, 10000 Prishtinë, addressed for "Departamentin e Çmimeve dhe Tarifave".
