

Board of the Energy Regulatory Office, following:

1. Provisions of Sections 15 and 26 of the Law on Energy Regulator,
2. Provisions of Section 49.2 of the Rule on Licensing Energy Activities in Kosova and Section 4 of the License of Transmission System Operator,
3. Request of KOSTT J.S.C for derogation regarding implementation of some provisions of the Grid Code dated 26th January 2009, and a corrected version on 13th February 2009,

In its session held on 27 February 2009 issued this:

DECISION

1. KOSTT J.S.C. **is allowed** derogation on implementation of provisions of Grid Code Sections, as follows in the **Annex** to this decision.
2. All other provisions of the Code shall remain effective.

JUSTIFICATION

On January 26th, 2009 the ERO received the request of KOSTT J.S.C. for derogation regarding the implementation of some provisions of the Grid Code, and on February 13th, 2009 a corrected version of the same request. The ERO while considering the request and taking into account the current state of the transmission system deemed it reasonable to allow derogation within time frames presented in the annex.

3. This decision is issued in three languages: Albanian, Serbian and English and will be published in the ERO official web-site.
4. Unsatisfied party may file complaint against this Decision before the competent jurisdiction court within fourteen (14) days since the date of its issuance or publication in the ERO official website.
5. This decision becomes effective on the date of its issuance or publication in the ERO official web-site.
6. Attached to the Decision is Annex – Allowed Derogations;

ERO Board

Dr. Ali Hamiti, Chairman
