2. Provisions of the Article 28.7 of the Rule on General Conditions of Energy Supply.
3. Article 10 of the License of the Distribution System Operator granted to KEK JSC.
4. In its session held on 15 April issued this:

DECISION

- I Continuation of the validity of **the Temporary Procedure on the Identification and Prevention of Unauthorized Electricity Consumption is allowed** for KEK JSC until amendments to it are approved till 30 June 2009 the latest.
- II Continuation of the validity of **the Temporary Procedure for reading of meters and billing of household customers is allowed** for KEK JSC.

Justification

1. KEK JSC had filed a request for the approval of amendments and additions to **the Temporary Procedure on the Identification and Prevention of Unauthorized Electricity Consumption** on December 2008, and on January 2009 a request for approval of amendments and additions to **the Temporary Procedure for reading of meters and billing of household customers**.
2. ERO has made comments several times in the document, while KEK JSC is in the final stage of refining amendments and additions to these documents; it remains therefore to further improve and revise them so that an adequate draft is finalized for approval.
3. Taking into account that the validity of these procedures has expired on 31 March 2009 for the reasons mentioned at point 2, and to prevent legal vacuum, it has been decided as stated in the disposition of this decision.
4. This decision shall be issued in Albanian language and translated into Serbian and English. In the event of any discrepancy between different versions, the version in Albanian shall prevail.
5. This decision enters into force on the date of its approval by the ERO Board and shall be published in the ERO official webpage.
