

Press Release

IXth Session of the ERO Board in 2025

On 05.09.2025, the Board of the Energy Regulatory Office held its ninth (IX) session for 2025.

In this session, the Board granted authorizations for the construction of new generation capacities from Renewable Energy Sources (solar) for the companies: “Lindja Solar” LLC, with a capacity of 100 MW; QAZIM R. GASHI B.I. – BABIMOC 1, 2 and 3 with a capacity of 4 MW; and “EBE ENERGY” LLC with a capacity of 3 MW.

The ERO Board also licensed the company “Energy Development Group Kosova sh.p.k” for the generation of electricity from Renewable Energy Sources (solar) with a capacity of 6 MW.

In this session, the ERO Board also granted licenses for the supply of electricity to the companies: “Norwegian PX Kosova” LLC; “BE Power” LLC; and “Energy for Change” LLC

In this session, the requests of twenty (20) legal entities and thirty (30) natural persons for obtaining authorization for self-consumption, with a total installed capacity of 1.8 MW, were also reviewed and approved.

All decisions of the ERO Board will be published on the ERO website www.ero-ks.org.
