in the session held on 18.08.2023 issued the following:

## DECISION

- I. ISSUANCE OF THE LICENSE** for electricity supply to the company **Eurosol&Energy LTD LLC**, with license number **ZRRE/Li\_90/23** for the period from **18.08.2023** until **17.08.2028**.
- II.** The company is **obliged** to submit to the Regulator any document issued by different institutions to **Eurosol&Energy LTD LLC** which can have an impact on the validity and validity period of the issued license as well as any document which can differ from the one submitted during the course of application for obtaining the license.
- III.** The company **Eurosol&Energy LTD LLC** is **obliged**, prior to the commencement of the energy supply, submit the evidence at the Energy Regulatory Office, that it has established the customer service, in line with the energy supply license, issued by the Energy Regulatory Office and other applicable legislation.

## Reasoning

- Energy Regulatory Office (the Regulator) on **04.04.2023** received from the company **Eurosol&Energy LTD LLC** the application with relevant evidence on licensing of electricity supply activities in Kosovo.
- The Regulator evaluated that the company in question has acted in accordance with the instruction of the Regulator and the requirements foreseen in the application for licensing of electricity supply activity in Kosovo and other legislation in force.
- According to Article 6 of the Rule on Licensing of Energy Activities in Kosovo, the company **Eurosol&Energy LTD LLC**, on **08.08.2023** notified through newspaper (portals) the interested parties that it has submitted to the Regulator an application for licensing of electricity supply and that the application is in the final phase for obtaining the license.
- According to Article 6 of the above-mentioned rule, the interested parties were entitled to contradict the application if they could prove any irregularities within eight (8) calendar days from the date when the notice was published in the newspaper. The Regulator has not received any contradiction submitted by the interested parties.
- The Regulator, in line with Article 7 of the Rule on Licensing of Energy Activities in Kosovo issues a formal decision on each application for license within sixty (60) calendar days, from the date when the application is considered complete.
- **Eurosol&Energy LTD LLC** has a license for wholesale electricity supply (trade) issued by the Board of Energy Regulatory Office, with license number ZRRE/Li\_89/23, for a period of five (5) years, from 15.05.2023 until 14.05.2028.
- The license issued in line with this decision shall continue to be valid for the period according to point I. of the enacting clause of this decision, with the possibility of extension, if the licensee applies for license extension no later than six (6) months prior to the expiry of the license term, in line with Article 32 of the Law on Energy Regulator and other legislation in force.
- The Regulator, following the evaluation of the application and other evidence attached to the application of the company **Eurosol&Energy LTD LLC** and based on legal provisions mentioned in the introductory section of this decision, has decided as in the enacting clause to this decision.

**IV.** The decision is issued in official languages of the Republic of Kosovo.

**V.** The decision enters into force on the date of approval by the Board of the Regulator and will be published on the official website of the Regulator.

**Legal advice:** The party dissatisfied with this decision may initiate an administrative conflict at the Competent Court, within thirty (30) days from the date of receipt of the decision or the date of its publication on ERO's website, whichever occurs last.

This **decision** and **License no. ZRRE/Li\_90/23**, which is an integral part of this decision is sent to:

- The company **Eurosol&Energy LTD LLC** and
- Archive of Energy Regulatory Office
