- Article 9 of Rule no. 03/2022 on Authorization Procedure for Construction of Energy Projects, issued by ERO Board;
- Articles 3, 4, 5 and 7 of Rule no. 03/2023 on Prosumers of Renewable Sources, issued by ERO Board;
- Application for construction of new generation capacities for self-consumption from solar/photovoltaic panels, with an installed capacity of **100 kW**, in Municipality of Podujeva, received on 13.12.2023, from the legal person applicant "ILIRIA" LLC, having its address at: "Balloc" village, Municipality of Podujeva, Republic of Kosovo,

in the session held on 28 December 2023 issued the following:

## D E C I S I O N ON CONSTRUCTION OF GENERATION CAPACITIES FOR SELF-CONSUMPTION

- I. **APPROVAL** of the request and status of the prosumer for the applicant "ILIRIA" LLC, for construction of new generation capacities for self-consumption, from solar/photovoltaic panels with an installed capacity of **100 kW**, in Municipality of Podujeva.
- II. The applicant "ILIRIA" LLC, with electric meter registration number DPR - 90178779, is **OBLIGED** to submit a request at KEDS JSC for technical admission of energy facility, following the construction of new generation capacities for self-consumption.
- III. ERO shall consider the project as finalized from the date of technical admission, based on the electro-energetic consent, issued by KEDS JSC.
- IV. The applicant "ILIRIA" LLC shall bond a self-generation agreement with the supplier with whom it has bonded an electricity supply contract, following the confirmation of technical admission by KEDS JSC., in accordance with Article 7, paragraphs 5 and 6 of Rule no. 03/2023 on Prosumers of Renewable Sources.

## Reasoning

- ERO, on 13.12.2023, received from the applicant “ILIRIA” LLC the application for construction of new generation capacities for self-consumption, from solar/photovoltaic panels, with an installed capacity of **100 kW**, in the Municipality of Podujeva.
- The applicant, along with the application, also attached evidence from KEDS on annual energy consumption, evaluation of annual production in kW/h of the installed equipment, Electro-Energetic Consent no. 11063 dated on 11.12.2023, issued by KEDS JSC., and the Consent no. 07-350/02-0014190/23, dated on 20.03.2023, issued from the Directorate of Urban Planning and Environmental Protection of the Municipality of Podujeva.
- ERO Board, following the analysis of the request of the applicant “ILIRIA” LLC, and attached evidence, on obtaining the status of the prosumer for construction of new generation capacities for self-consumption from solar/photovoltaic panels, with an installed capacity of **100 kW**, in Municipality of Podujeva, evaluated them and considered that all relevant evidence on issuance of the decision for construction of new generation capacities for self-consumption have been fulfilled, therefore based on the legal provisions mentioned in the introductory part of this decision, decided as in the enacting clause of this decision.

V. The decision is issued and published in official languages of the Republic of Kosovo

VI. This decision shall enter into force on the date of approval by the Board and will be published on ERO’s official website.
