The Board of Energy Regulatory Office,

Based on:

- Provisions of Article 9, paragraph 1, sub-paragraph 1.7, Article 15, paragraph 1, sub-paragraph 1.5, Article 25, Article 26, paragraph 1, sub-paragraph 1.2 of the Law on Energy Regulator (Law no. 05/L-084);
- Provisions of Article 28, paragraph 1.26 of the Law on Electricity (Law no. 05/L-085);
- Provisions of Article 10 of the Law on Energy (Law no. 05/L-081);
- Provisions of Article 10 of the Distribution System Operator License;
- Request of DSO, dated on 27.10.2023 on review and approval of the Ten (10) Year Development Plan of the Distribution System Operator 2024-2033,

in the session held on 28.12.2023 issued the following:

DECISION

- I. **APPROVAL**- Ten (10) Year Distribution Development Plan for the period 2024-2033 of DSO.
- II. The Distribution System Operator KEDS JSC is **OBLIGED** to implement the planned projects according to this plan for the safer functioning of the distribution system.

Reasoning

- Energy Regulatory Office (ERO), on 27.10.2023 received the request of DSO for review and approval of the Ten (10) Year Distribution System Operator Development Plan for the period 2024-2033.
- ERO analysed the document and conducted the evaluation of the projects to be included in the Ten (10) Year Development Plan of DSO 2024-2033.
- ERO, during the evaluation has applied a priority lining of projects and programs, based on prioritization factors agreed between DSO and ERO.
- ERO, following the evaluation of the Development Plan, initiated the public discussion to

receive comments, suggestions and evaluations from the licensees and the stakeholders.

- ERO, during the evaluation period held joint consultative meetings with DSO where explanations and answers were provided on many different raised issues related to the projects proposed by DSO.
- Following the conclusion of the public consultation period and frequent meetings with KEDS, as well as the inclusion of ERO comments, DSO, on 27.12.2023, submitted the final document for approval by ERO.
- ERO, following the evaluation and analysis of the Ten (10) Year Distribution Development Plan 2024-2033 concluded that the legal requirements have been fulfilled and evaluated that the projects included in the document are reasonable and necessary for the safer functioning of the distribution system, therefore decided as in the enacting clause to this decision.

III. The decision is issued and published in official languages of the Republic of Kosovo.

IV. The decision enters into force on the date of approval by the Board of Energy Regulatory Office and will be published on the official website of ERO.

Legal advice: The party dissatisfied with this decision may address the competent court within thirty (30) days from the date of receipt of the decision or the date of its publication on ERO's website, whichever occurs last.
